MATURITY STAGE

INTEGRATOR

ESG is embedded across operations with governance and reporting systems in place enterprise-wide.

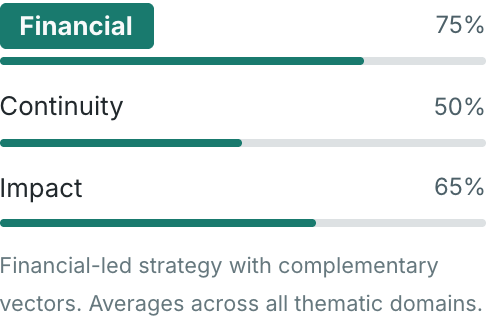

AfricCo is a maturing and fast-growing manufacturing outfit with operations spread across Sub-Saharan Africa.

DATA SUFFICIENCY

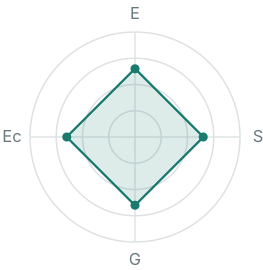

55%

Weighted average across 6 thematic domains. Domains with lower sufficiency may warrant deeper evidence collection.

STRATEGY VECTORS

ESG SHAPE — SUPPLEMENTARY

Evidence Register

6 thematic domains

Each domain is shown at its own evidence depth — bands, trend, trust and sufficiency are independent per row.

IMPACT THEMES	PERFORMANCE	TREND	TRUST BAND	DATA SUFFICIENCY
